Brand & Marketing

2 achievements

Connect the parts of your system

The work collected under “Brand & Marketing” shows one part of a working system. We can help connect that part to the rest of your operation. A name, a look and a website that turn up when somebody searches for what you sell, and read the same everywhere you appear.

Find a comparable challenge

Follow an example that resembles your situation. Its review describes the decisions behind the result, beyond the technology label. Brand communication informed by audience response — brand communication informed by audience response

Brand communication informed by audience response Get in touch →

Brand communication informed by audience response

Used market research and audience feedback to shape Engineer ApS brand communication and outreach.

Replaced 963 metadata blocks with one graph

Replaced 963 anonymous structured-data blocks that restated the company 1,671 times with one linked graph of 16 types minted from stable origin identifiers.

Focus the engineering effort

Describe the audience, the message and the places your identity needs to appear. We can agree a practical set of assets, their delivery formats and the rights you will receive.
